FUNNY FUCKER!

Porn star does comedy on the side

HAVE you heard the one about the porn star comedian? You'll either pitch a tent in your pants, or piss them laughing!

Seppo mattress actress Silvia Paige juggles her two careers, rooting up a storm then hitting the comedy clubs – it's lie-down all day and stand-up at night!

The 35-year-old came to LA five years ago to pursue her dream of becoming a comedian, and took up porn to pay the bills.

Now she rattles off heaps of jokes in her act about what it's like to root blokes who are hung like a Pringles can.

Well, you probably have to be there. But hey, yucks and fucks, readers – ya can't beat that combo! ■ Picture

Sophie Reade as you've never seen her before

SO YOU think you've seen Pommy spunk Sophie Reade every which way but loose, every photo, in every pose, from every angle possible?

Think again, amigos.

Somehow these particular dick-tickling pics of the big-boobed legend have escaped our attention up until now.

Yeah, that's right – they've NEVER BEFORE been published in our wide brown land.

So we're bringing them to YOU, the loyal readers of THE PICTURE, for the FIRST FUCKING TIME, in all their blonde, mega-norked beautness.

No need to thank us – well, not YET, anyway. Just lie back and enjoy. We'll let you know where to post the gold doubloons later. ■ Picture

WOBBLY WORLD

EXTRA! EXTRA! READ ALL ABOUT TIT!

BALI!

Sensual Jane is the stage name of this Romanian porn star and model. Her double Ds have helped earn her a fortune, so they deserve this holiday in Bali.

LOS ANGELES!

Mia Malkova (far right) earns a good wage as a porn star, but her side gig is washing cars. We're gunna chuck her a tenner and ask her to hose down the Commodore.

CALIFORNIA!

It's nice of Reese to flash her puppies on the bike trail, but they probably had to call the ambos to take care of all the blokes who crashed into rocks and cactuses.

MENORCA!

Pommy topless legend Sammy Braddy may be 34 but her tits are ageless. After 13 years of modelling they still look as perky as ever. Must be all that sunshine and fresh air.

BRATISLAVA!

Anata was sick of blokes texting her dick pics 'cos they were always blurry and out of focus. So now she takes her own. Whip it out blokes!

SPLIT!

When she's not tickling the taco in front of the camera, Ukranian model Serena Wood likes to hit the beach and pretend she's into the last round of Nude Survivor.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

BLOKE VS BEAR

A CANADIAN numbskull has been fined Oz $4400 for trying to PUNCH ON with a grizzly bear. Devin Mitsuing was a few rums deep when he got out of his truck in the Banff National Park and started yelling at the startled bear, then put up his fists and charged at it. Some wildlife photographers just happened to be nearby and got it on film. When police questioned Mitsuing about it later he said: "I was just fucking around... I thought it was a brown bear." Yeah, like that makes a LOT more sense.

PORN BALL!

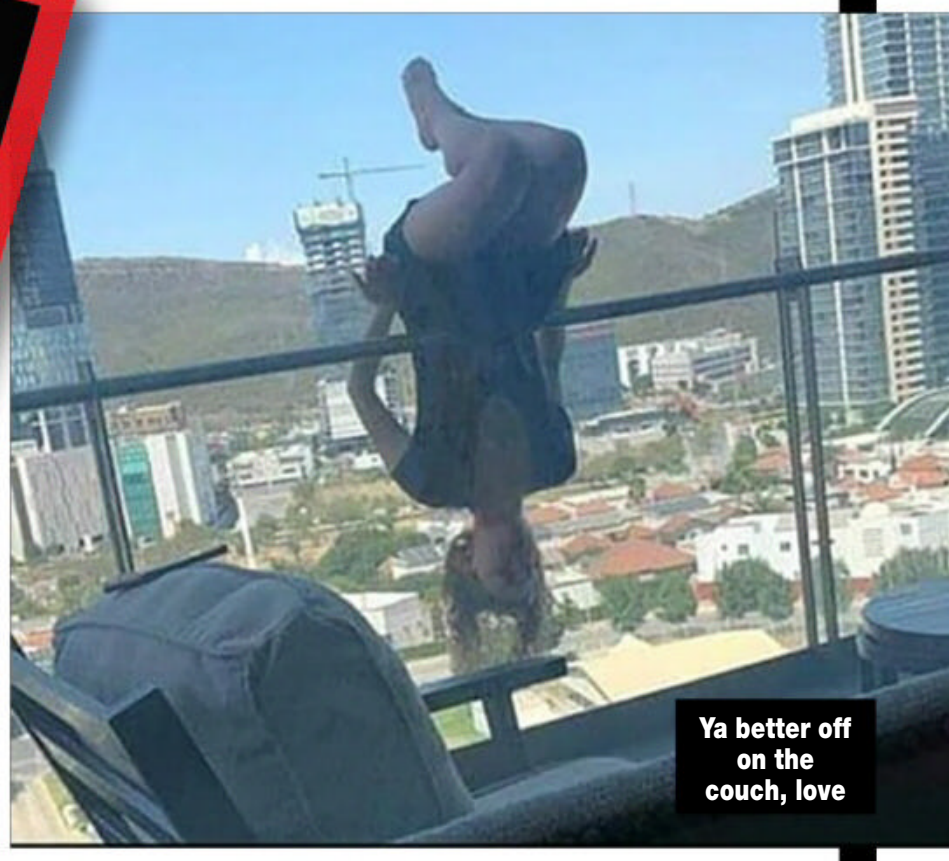
THE basketball arena that is home to the NBA's Miami Heat may soon be named after a porno production company. When the naming rights, previously held by American Airlines, CAME on the market BangBros offered US$10 million to slap their logo all over the one-time home court of NBA legends Shaquille O'Neal (1994-1998) and LeBron James (2010 -2014). If their bid wins they plan to call it the B.B.C. – which stands for Bang Bros Centre but is also porno shorthand for BIG BLACK COCK.

GET SHARKED!

THREE WA fishos have been bagged out – or "trolled" as the kids say – on social media for posting photos of the more than five metre-long tiger shark they caught from a beach near Pilbara. They pulled the giant noah ashore, measured it and put the piccies up on their Facebook page, only to get shat on by keyboard-wielding shark lovers who gave them HEAPS for being cruel to our beaut MAN-EATING PALS.

SEX ON A PLATE!

SOME wowsers in the UK have jacked up when they went to lease a van and the one they were given had the numberplate BJ69 –'cos they reckoned it was TOO FUCKEN RUDE. So the leasing firm – Vanarama – went to the UK's Driver and Vehicle Licensing Agency to get it changed, but THEY were told to FUCK OFF because the DVLA reckoned it was a perfectly legit, randomly chosen plate. So there.



Ya better off on the couch, love

YOGA FUCK-UP

A MEXICAN yooni student fell 25m while hanging off a railing doing fucken YOGA. Alexa Terraza was practicing a yoga pose over the edge of her sixth-floor apartment balcony in San Pedro when she lost her balance. Maybe she UMMED when she should've OMMED, we dunno. Anyway, she FUCKEN SURVIVED! With 110 broken bones, but, and it took an 11-hour op just to START to put her back together. Her mate took this photo just before she dropped.

BEER SAVES THE WORLD (AGAIN)

A RESEARCH team at a Chinese yooni have found that regular beer intake can help prevent type 2 diabetes. The geniuses at Southeast University in Nanjing reckon their study found that around two and a half beers a day can fuck the disease RIGHT OFF. "The findings of this meta-analysis show a positive effect of alcohol on glucose and fat metabolism in people with type 2 diabetes," said Dr Yuling Chen. Yada-yada-yada. All WE'RE hearing is – drink more beer, live longer.

TAPIR

Our advice is never invite one of these ugly bastards to a party. It'll snort up all ya drugs in one go, then shag your girlfriend and steal your iPhone.

PENIS SNAKE

They usually HANG OUT in streams deep in the Brazilian rainforest, but they also occasionally POP UP at hen's parties, male strip clubs, etc.

Yes, ladies, he's single!

GRIFFIN'S LEAF-NOSED BAT

Only found in a couple of locations in Vietnam, it's so ugly that even Charlie Sheen refused to fuck one. Nah, who are we kidding – of course he did!

I STAY HOME AND PLAY VIDEO GAMES

BUT I'VE GOT A GREAT PERSONALITY!

BLOBFISH

When these guys are brought up from 2000-metres below sea-level they expand due to the reduction in pressure and get seriously uggo!

GOBLIN SHARK

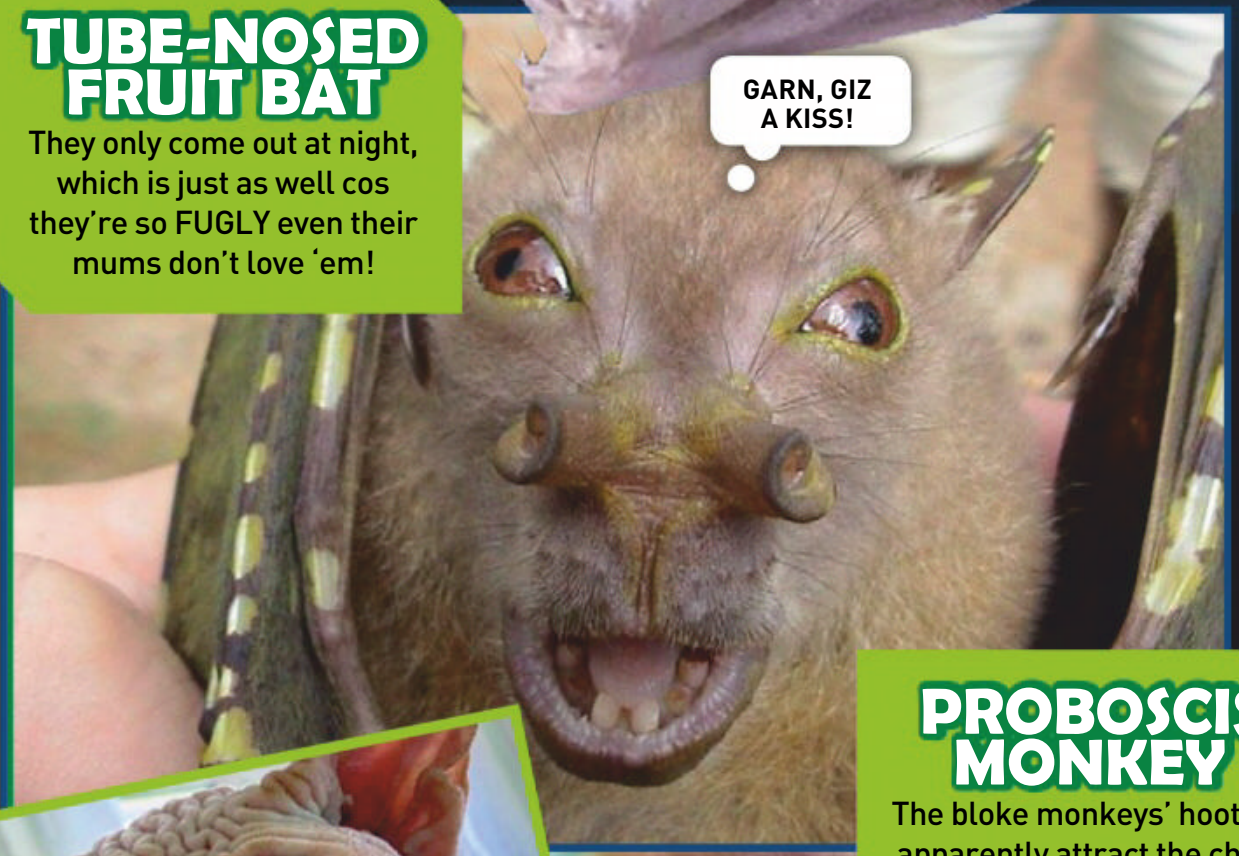
They hang around on the bottom of the ocean more than 100-metres beneath the surface, presumably feeding on deep-sea diving hobbits.

AL ITS!

Natural blunders not even Sir David Attenborough could love

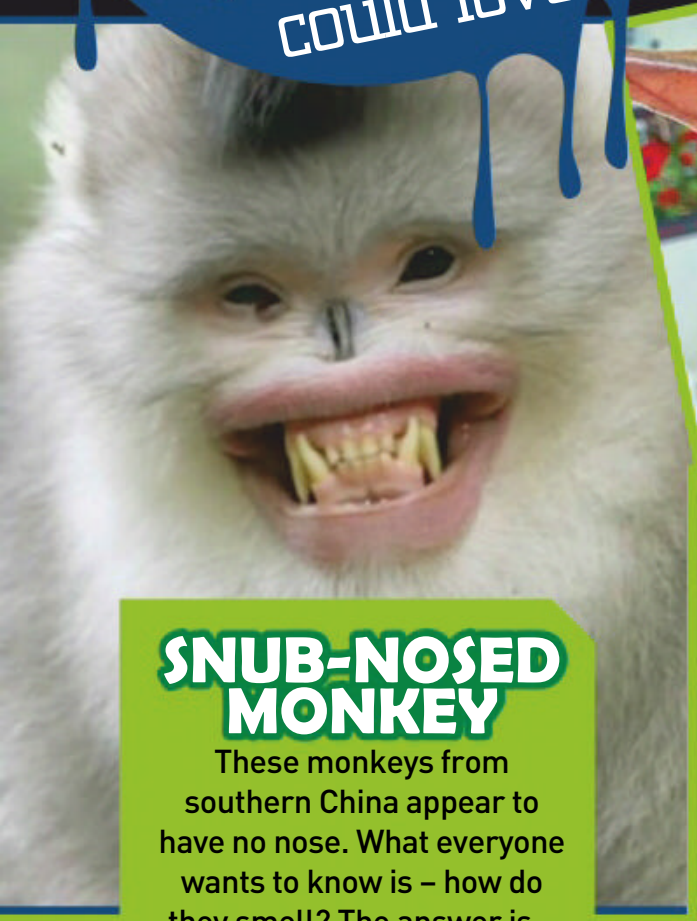
TUBE-NOSED FRUIT BAT

They only come out at night, which is just as well cos they're so FUGLY even their mums don't love 'em!



PROBOSCIS MONKEY

The bloke monkeys' hooters apparently attract the chick monkeys. At least that's what they tell themselves.



SNUB-NOSED MONKEY

These monkeys from southern China appear to have no nose. What everyone wants to know is – how do they smell? The answer is – FUCKEN AWFUL!

URAL DERS!

Tessa Fowler's funbags are faultless

IT WAS a great day for the boob-loving world when Tessa Fowler quit her job at a Hooters in South Carolina, USA, to take up an offer to model for *Playboy*.

Sure, the customers at that particular Hooters outlet must've had the shits, but for the rest of us it's been great, so fuck 'em.

That was eight years ago, and she hasn't looked back since.

Armed with her mighty all-natural double-G gazongas and dick-hardening smile, Tessa has become one of the internet's favourite big-boobed babes.

And, importantly, she never forgets what got her there.

"I call the left one 'Sparkling Wit' and the right one 'Charming Personality'," she explains, referring to her bodacious boobsters.

That's right – she's got a sense of humour, too!

"The best pickup line I've ever heard was, 'Is that a keg in your back pocket? Because I'd sure love to tap that ass!'" she cackles.

"It was great! I ended up talking to that guy for about an hour because he was so funny."

Now if her dad just owned a brewery, she'd be perfect! Picture

RACKS OF ALL TRADES!

These spunks know how to get the job done

DDF, Met-Art

SHAY

Tools, tools, tools – Shay is obsessed with tools. Every time she brings home a new one it goes straight to the shed and into its own special slot!

JADE

From that stern look in her eye we'd say Jade is the foreman, so you'd better do what she says or she'll motorboat you unconscious with her big tradie tits!

TINA

Instead of ruining a perfectly good pair of overalls, Tina here decided she'd do the painting STARKERS. That kind of decision-making has ensured her plenty of repeat clients.

ASHA

Asha knows when she's working in extreme temperatures it's vital to keep her tits from overheating, so it's either this or ask her workmates to BLOW ON THEM.

LILLY

Lilly can drive the biggest earthmovers going, seemingly by instinct. We'd say by the seat of her pants but, as you can see, she isn't wearing any.

KATE

Kate installs spas for a living. For an extra fee, she'll come back later and give it a trial run with you. Lots of bubbles, no trouble!

STEPH

If your driveway needs grading, Steph is the woman for you. She has her own tractor and likes working topless, so you get a new driveway AND a great view.

CORINNE

Corinne loves her new drill. It's got five speeds, power to spare and heaps of attachments. Sometimes she even uses it for work.

BELLA

Bella reckons 'The Wheelbarrow' is beaut. Not the metal bin on wheels, but the sex possie where she places her hands on the ground while a bloke lifts her legs in the air.

NAK
ROYA

Tia is the new Miss Nude Australia!

TO BECOME Miss Nude Australia requires dedication, perseverance, a strong work ethic and unshakeable self-belief.

It also helps if you're HOT AS FUCK, so take a bow Tia Carrera for possessing all these qualifications to become our beaut nation's NUMER ONE NUDIST.

The 22-year-old from Victoria beat the best unclothed spunks in the country to take out the title at the Crazy Horse in Adelaide, and boy is she stoked.

"I feel like I've just won gold at the Olympics!" she told THE PICTURE. "How great is it that I can tell people I'm the best naked person in Australia?"

Pretty damn great, Tia. What's the best thing about winning the title?

"The opportunities it presents. I've only been Miss Nude for two weeks and already I've been offered the chance to fly around Australia and

New Zealand featuring at various clubs. I haven't travelled Australia too much so I'm super keen to see all of it!"

And Australia's pretty keen to see all of YOU. What part of your act clinched you the win, do ya think?

"I think the best part is at the end when I'm completely naked and sliding up and down the stage. There's something about a naked, soapy body that's really hot."

And what's your favourite bit of that naked, soapy body of yours?

"I love my pussy! It looks like a perfect little taco."

No argument here. Text-book smoo aside, how do you keep the rest of you in such tip-top shape?

"I've been pole dancing for seven years, so that has always kept me really strong. The gym is too boring."

Now you're being featured in Oz's number one men's mag. How does that hit ya?

"I'm so excited! I can't wait to frame a copy and hang it on the wall so everyone can see. What's most important is that I'm proud of myself, my body, my job and the whole industry, and I want to share that with people."

Yay you. Most people don't give us credit for our top journamalism, so how about you give us a SCOOP. Garn, tell us something EXCLUSIVE.

"Don't tell anyone, but I'm not a natural blonde."

Too late, Tia. We just told the WHOLE COUNTRY! Picture

YOU'RE JOKING

100% POLITICALLY INCORRECT!

I WAS watching some porn last week with my wife and she complained, "This is so unrealistic!"

I said, "Just because you're unwilling to try new things doesn't mean that everybody is frigid."

"It's not that," she explained. "It's just that all the plumbers that come to our house have tiny cocks."

KIM, RICHMOND, NSW

Q. WHAT SHOULD WE DO WITH PEOPLE WHO LIVE OFF GOVERNMENT HANDOUTS, BUT REFUSE TO WORK?
A. KICK THEM OUT OF PARLIAMENT.

A.H., YOKINE, WA

I PARKED in a disabled space today and a traffic warden shouted, "Oi, what's your disability?"

I said, "Tourettes! Now fuck off you fucking cunt!"

SICKO, HINTON, NSW

A WOMAN brings eight-year-old Johnny home and tells his mother that he was caught playing doctors and nurses with young Mary, her eight-year-old daughter.

Johnny's mother says, "Let's not be too harsh on them... they are bound to be curious about sex at that age."

"Curious about sex?" replies Mary's mother. "He's taken her fucking appendix out!"

RAMBO, BLESSINGTON, TAS

Q. WHAT SPORT DO YOU PLAY WITH A WOMBAT?
A. WOM.

JOKE OF THE WEEK WINS $100

ON THEIR way to get married, a young Catholic couple died in a crash. They found themselves sitting outside the Pearly Gates waiting for St. Peter to process them into Heaven. When he showed up, they asked him if they could get married there.

St. Peter said, "I don't know. This is the first time anyone has asked. Let me find out."

The couple sat and waited and waited. After three months, St. Peter finally returns, looking frazzled.

"Yes, he said. "They can get married in heaven."

"Great!' said the couple. "But if things don't work out, can we get a divorce?"

St. Peter, red-faced with anger, slammed his clipboard onto the ground and shouted, "It took me three months to find a priest up here! Do you have any idea how long it'll take me to find a fucking lawyer?"

OLLIE, NELSE, VIC

MY daughter came home from school to find her pet rabbit missing. Eventually she asked me for help so I told her to look where there might be some carrots.

"That's a good idea, dad!" she replied.

"And peas, onions and gravy," I added as I stirred the casserole.

BLUE, MALEBELLING, WA

I JUST read that, by law, you have to turn your headlights on when it's raining in Sweden.

That's a real good idea, and I'm happy to go along with it, but how the fuck am I gunna know when it's raining in Sweden?

L.L., COWAN CREEK, NSW

MY KIDS have been pestering me for ages about having a day at the new amusement park, so this morning I thought today was as good a day as any.

Boy were they were fucking narky when I got home!

CALEB, BURROWYE, VIC

Q. WHY DID THE SCARECROW GET A PROMOTION?
A. BECAUSE HE WAS OUTSTANDING IN HIS FIELD.

B.L., NENE VALLEY, SA

A WAITER at a restaurant noticed a woman stuffing bits of food down her blouse. He thought it was rather strange, but he figured that since it was her food and she was paying for it she could do what she wanted with it.

But after a while the waiter noticed that the woman's behaviour was making some of the other patrons uncomfortable. So he approached her and said, "Ma'am, I'm going to have to ask you to stop putting food down your blouse. It's bothering some of the other customers."

The woman looked around indignantly and said loudly, "This is outrageous! Why do you people feel so threatened by the sight of a woman breastfeeding!?"

"WHEN I OPEN THE FRIDGE DOOR AND THE LIGHT COMES ON, I LIKE TO PRETEND A SAUSAGE HAS JUST HAD A REALLY GOOD IDEA."

"I'VE GOT NO PROBLEMS BUYING TAMPONS: I'M A MODERN MAN. BUT APPARENTLY THEY'RE NOT A PROPER PRESENT."

"I definetly don't have OCD. I checked three or four hundred times."

"Malcolm X chose that name rather than admit he'd accidentally put a kiss at the end of a text."

"OPTIMISTS ARE HALF FULL OF SHIT."

THE JOKE'S ON YOU

THIS WEEK: THE AMISH

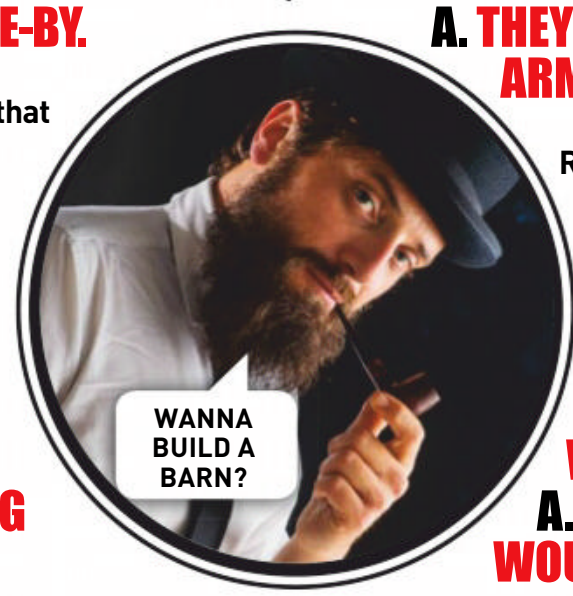
Q. WHAT GOES CLIP, CLOP, CLIP, CLOP, BANG, CLIP, CLOP?
A. AN AMISH DRIVE-BY.

My wife drives so slow that when we're on the highway, Amish people give us the finger.

Q. WHY DID THE AMISH WOMAN DIVORCE HER HUSBAND?
A. HE WAS DRIVING HER BUGGY.

I had a one-night stand with an Amish chick the other week. She never called me back.

Q. WHY DON'T AMISH WOMEN WEAR SLEEVELESS DRESSES?
A. THEY REFUSE TO BARE ARMS.



Research shows Amish people have much lower rates of cyber bullying.

Q. WHY DON'T THE AMISH WATER SKI?
A. THE HORSES WOULD DROWN.

After conducting an online survey it was discovered that of the world's population, 0% are Amish.

GO AHEAD, HAVE A MOAN!

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

BRAVE NEW WORLD

MUNGO, I'm an old bastard and have seen many new things come around in my lifetime. Craft beer, bolt-on boobs and Valiants that become classics are all great, but at my local supermarket they seem to be offering packaged twat. Is this something to be concerned about, or should I do the Aussie thing and say fuck it and buy a few packs (for research purposes)?

P.S., METFORD, NSW

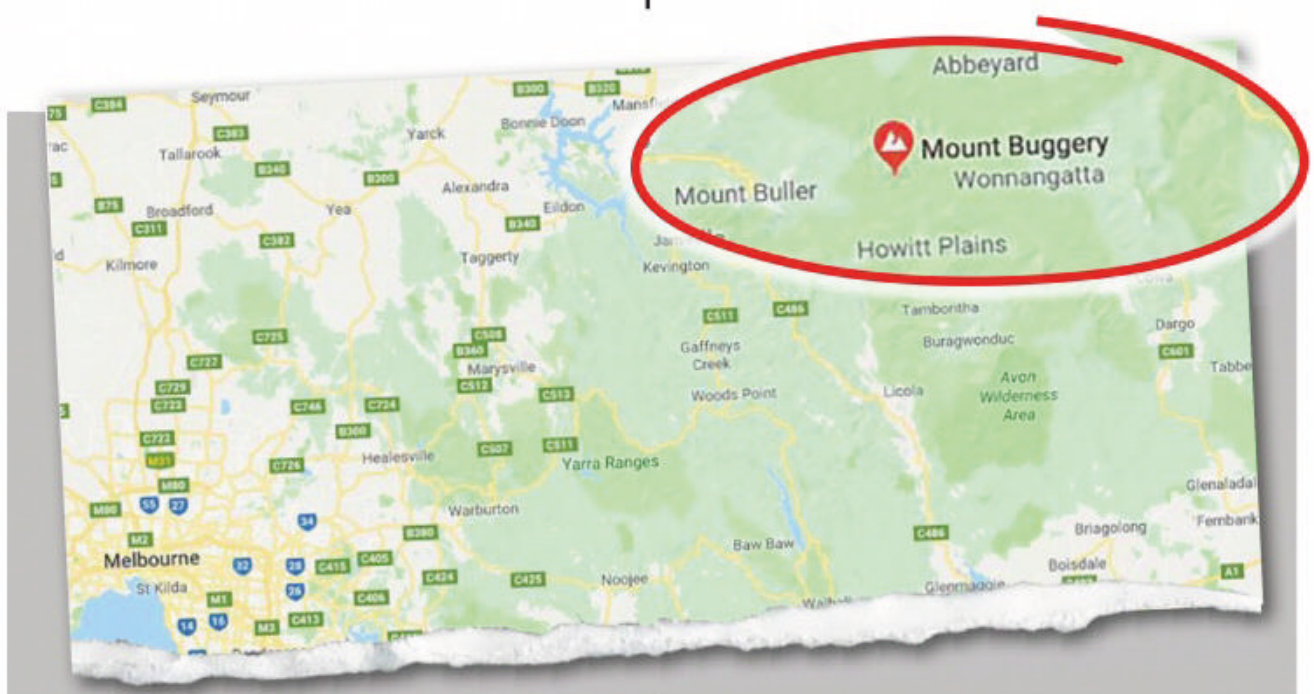
MUNGO SAYS: Dive into it, mate. Embrace the new. We never know what things are like unless we try them. Of course, fresh is always best, but it's not a bad thing to keep some packaged in case you run out. I like mine with sauce.

THE DUCHESS OF NORK

I'VE got a Clone for ya – #1491 Seppo Homie Britanny and Fergie. Not the singer from the Black-eyed Peas, the ex-royal ranga who used to be married to that fat dickhead Prince Andrew. And I mean Fergie when she was semi-hot and getting her toes sucked, not now.

L.M., HOMEBUSH, NSW

MUNGO SAYS: Was Fergie ever even SEMI-hot? I was never a huge fan. On the hand, Britanny is a absolute cracker and she can eat her cornflakes out of my bowl any time. How you can tie the two together is beyond me. Have you ever thought about getting glasses?



I'LL BE BUGGERED!

MUNGO, I was showing our Pommy friends a little bit of outback SA when they came across this place on the map. So off we go, but were buggered if we could find it. Reckon some buggers stole the signs. Bugger me dead, why would you give a place such a name? Was there a shortage of women at that time or was it due to a macabre form of contraception? Buggered if I know. What do you reckon Mungo?

R.C., PARHAM, SA

MUNGO SAYS: What do I reckon? I reckon that if a bloke from Iron Knob ever meets up with a chick from Mt Buggery Gorge, there'll be probs at bedtime. Might need some Crisco.

GOOD EVENING AND GET FUCKED

MUNGO, when are you going to get your own TV show where you can have a rant about anything and tell all the cunty politicians and various other shitheads what you think of them? I'd watch it and I'm sure all your loyal readers would too. There are plenty of unworthy fuckers on the box blabbing away, we need you out there.

M.K., MOORABBIN, VIC

MUNGO SAYS: Yeah, not a bad idea. I can see me behind a desk spewin' out the bullshit for about 500 grand a year. Not gunna sell myself cheap. Maybe get a brewery sponsorship deal too. Of course, it'd be better if they could wheel the cameras around to my place and I could do it from the couch in between naps. Don't wanna over-exert myself.

TITS AT THE TIP!

G'DAY Mungo. We've been off the grid for a few weeks up in tropical far north Queensland, which is fucken great, however up here, hardly any servos stock THE PICTURE. Weipa is the only place north of Cooktown. Hope you might sort this out for future travellers who need their bi-weekly dose of tits 'n' bush. Here's a shot from the northernmost point of Godzone.

P.L., MILDURA, VICTORIA

MUNGO SAYS: It's a sad thing for our rural areas when, on top of copping fucked things like floods, drought, bushfires and visits from Barnaby Joyce, they're denied Australia's finest men's mag. We'd have some air-lifted in, only the office helicopter is on a beer and pie run.

MUNGO WANTS TO KNOW...

Why don't they put Reschs Pilsener on the Pharmaceutical Benefits Scheme as an anti-depressant? It always cheers me up.

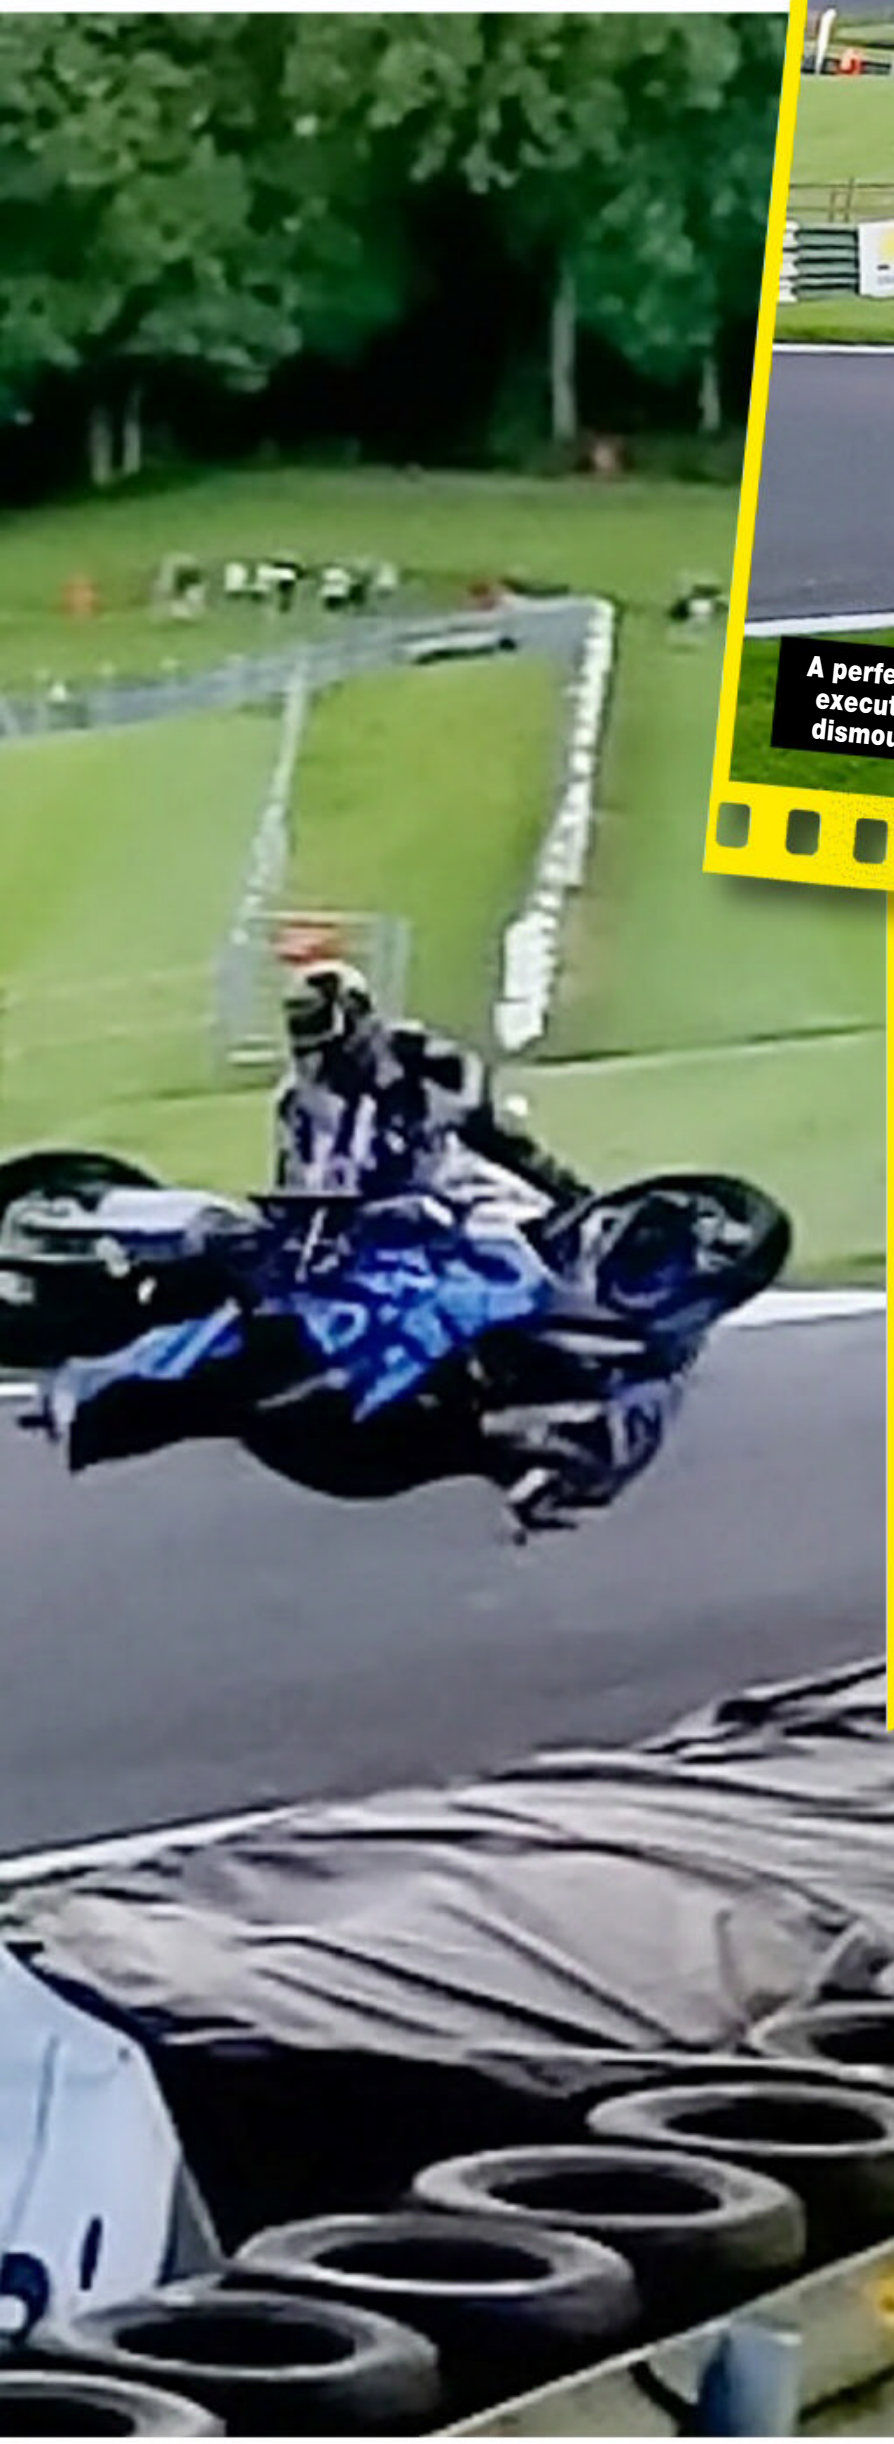
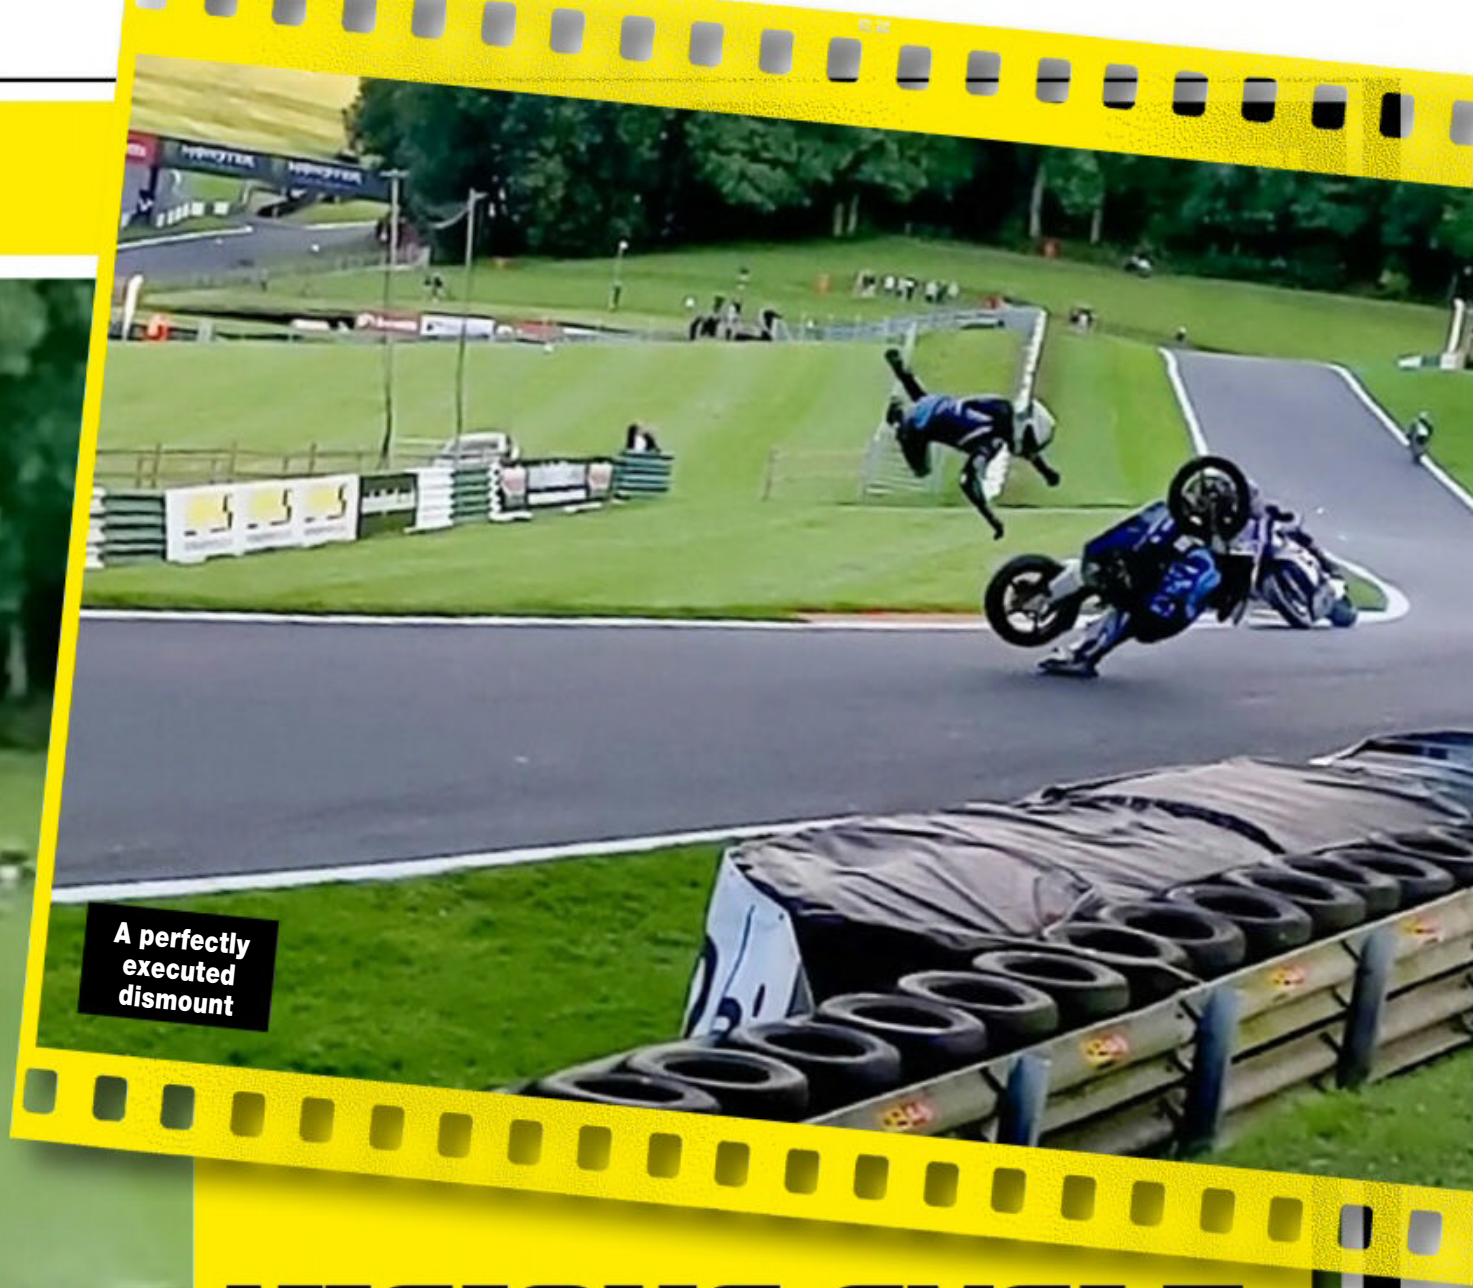
YOU WON'T BELIEVE YOUR EYES





A perfectly executed dismount

VICIOUS CYCLE

Maybe Pommy motorcycle ace Luke Mossey always wanted to be a circus trapeze artist, and he picked this moment at the Cadwell Park circuit, in Lincolnshire, England, to try out his new act. Memo to Luke: it ain't working, mate. Stick to your day job. This is when Luke and his Suzuki GSX-R1000 parted ways at 177kph, with the Superbike star narrowly missing being smashed into by his team mate Josh Elliot, who was just behind him, and sliding 30m down the track on his arse before coming to rest cosily on the grass. But was he smashed to fuck? Was he spitting teeth and bleeding from every orifice afterwards? Well, no he wasn't, thank the motorcycling gods. Apart from a hairline fracture off the tibia (that's a bone in the leg for all you non-medicos) he was A-OK. Phew, eh.

IN BED WITH KIKI

ADDICTED TO LOVE

DEAR Kiki. Am I a sex addict? My last girlfriend left me because she thought I was a sex addict. Can you please tell me if it's normal to fuck seven or eight times a day? I'm often away with work, and I'm just trying to make up for the ones I've missed out on. Should I seek help or would you like to help me out with this issue?

WILLY, VIA EMAIL

***KIKI SAYS:* Eight times a day? I was not expecting that number! Are you still shooting out loads after the fourth time? Doesn't your dick get sore? Are they just quickies or are they marathon sessions? I have so many questions for you. Please tell me more.**

FINGER ME THIS

DEAR Kiki. During sex I enjoy a finger in my anus. Do you think I am kinky or abnormal? Curious to know if you enjoy a finger in your anus during sex, too.

IAN, SUMNER PARK, QLD

***KIKI SAYS:* As long as you enjoy a finger and not a fist, I wouldn't call you kinky. I much prefer a dildo in my arse rather than a finger – a finger just doesn't have enough girth for me. But having my arsehole licked – that drives me crazy!**

STRIP PLEASE

HI KIKI! Just wondering when you're coming to Melbourne. I would like to know how much for a strip show? I'm a huge fan of strippers but have never seen you at my club. I reckon you'd be a great dancer.

STEVE, VIA EMAIL

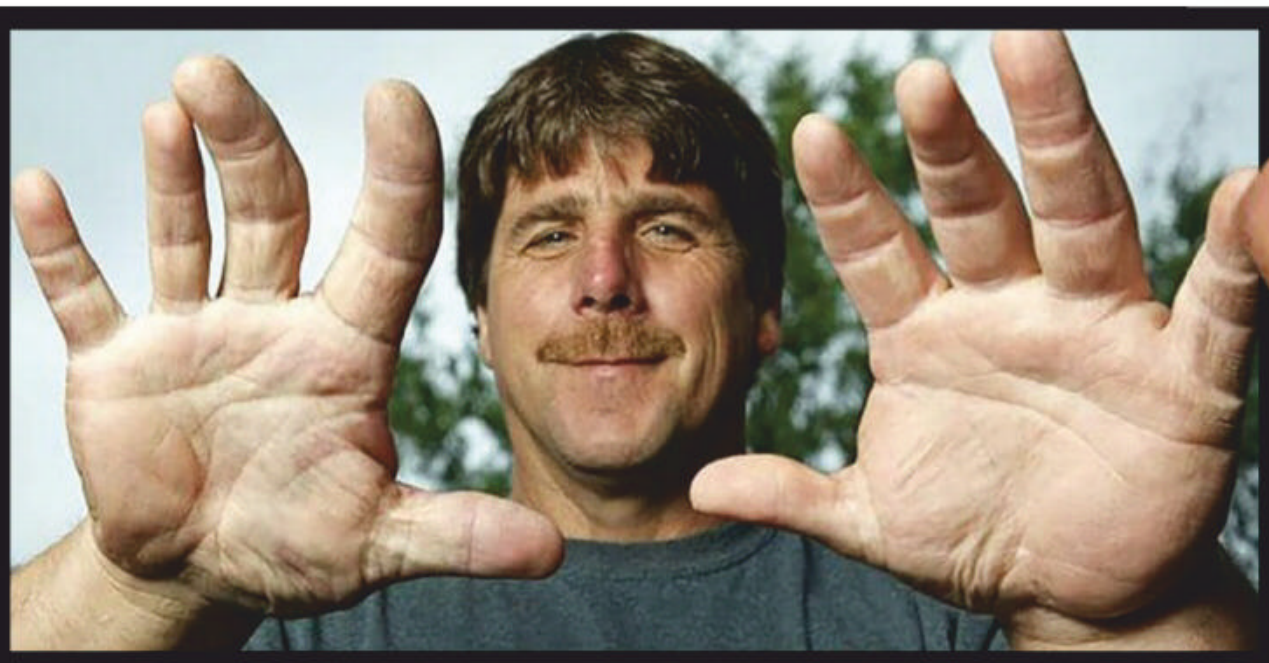
***KIKI SAYS:* Come visit me at Melbourne Sexpo in November!**

ONE NIGHT ONLY

G'DAY Kiki, you're always writing in your column about how big a fan of one-night stands you are. I think that's bloody beaut and more power to ya. When you're out somewhere and you meet a guy, how long does it take you to go from saying hello, to telling him that you want to take him home and have your way with him.

KYLE, BLACKTOWN, NSW

***KIKI SAYS:* Where are you finding these subliminal messages that I like one-night stands? Sure, I think about fucking almost every guy that says hello to me, but I don't actually do it. I think you've got your wires crossed, Kyle.**



KIKI'S SEX CONFESSION

"Blokes, if you decide to finger a chick you're dating, it's important to remember the three T's: Thumb to rub her clit, Tongue to lick her mound, and Thrust your joy stick in there when she asks you to. Multitasking is a must in the bedroom."

THE TIT-ORIS

HAVE you ever had an orgasm just from breast play alone? I have extremely sensitive nipples and breasts and during sex the other day, I thought I was going to come just from my bloke's tongue on my nipples. I was just wondering if have been able to orgasm just from breast stimulation alone?

SALLY, REDCLIFFE, QLD

***KIKI SAYS:* Sometimes my nips are so sensitive that I can't even deal with them being touched! I need a guy to gently lick and suck my nipples, making sure he doesn't use too much teeth. I haven't orgasmed yet from breast stimulation alone, but I think I just need to find the right bloke.**

COCK BLOCK

I'VE decided to stop masturbating. I read these articles on the internet and they say if you watch too much porn you get worse in bed, or you can't get it up or something. I can't remember what it said exactly, but basically porn is bad for you. Do you think having a wank to some hard-core fucking is bad, or makes you lose your mojo?

B.G., SUBIACO, WA

***KIKI SAYS:* What a load of shit. It sounds to me like some prudes made up some fake news so you would stop watching porn. If it were true, that would mean 95% of guys can't get it up, or suck in bed – and that doesn't sound very realistic. I think there might be health problems if you DON'T masturbate. Why don't you google that!**

SHAKE AND FAKE

I JUST started dating this chick and I think she might be faking orgasms. We'll be having sex, nothing special, but then she'll just start moaning like it's the best thing in the world. I'm not bad in bed, but I'm no Ron Jeremy! Well, I guess I am fat and hairy, but I can't suck my own dick. Anyway, how can I tell if she's faking it or not?

C.P., KIRWAN, QLD

***KIKI SAYS:* Ooh, this is a tough one. Have you ever considered that maybe your dick is the perfect puzzle piece to her pussy? Spotting a faker isn't an easy task. A good method to try is to finger-bang her with one finger, and if she's still moaning like a banshee, chances are she's faking. But your cock could just be the best thing to her.**

KIKI WANTS TO HEAR FROM YOU!

"SPOTTING A FAKER ISN'T AN EASY TASK"

GET UP YA SOOK!

...AND DON'T BE A WUSS

OUCH FACTOR 50%

WHO: A tradie

WHAT: Dallas, Texas

WHERE: Shot a nail through her wrist

OK, SO there weren't any buckets of blood, smashed skulls and bodies being cut from the mangled wreckage.

In fact, the tradie got out of it OK. The real damage was to her ego.

"The gun was jammed," she explained. "So I cranked up the pressure as high as the thing would go and then BAM. It just happened!"

The guy I was working with asked if I got myself. I said 'Yep' and off to the ER we went."

And she kept a great sense of humour throughout the ordeal. "It hurt for about twenty seconds and then went numb. But the most important bit was that I didn't break a nail."

So, yeah, we'll say GET UP YA SOOK, but only because we HAVE TO – but really, we think you're ace. ■ Picture

Sarika's sexy and she mows it

SHE'S A GOER WITH A MOWER!

IF THERE are two things they love in Latvia, it's a beautiful lawn and a hot, nude blonde.

Which is why this photo-shoot of our old mate Sarika mowing her buffalo grass in the buff set the internet on fire in this tiny northern European nation.

You remember Sarika. She and her perfect natural D-cup BAZOONGAS were featured in the mag yonks ago, and at the time we remarked that despite the totally innocent nature of our questions, her filthy mind kept dragging the interview into the gutter.

Thankfully, nothing much has changed. She's still hotter than Birdsville in summer, her boobs are still perfect and she's still a dirty-minded little minx. Hooray!

Sarika, welcome back to THE PICTURE – how the hell are ya?

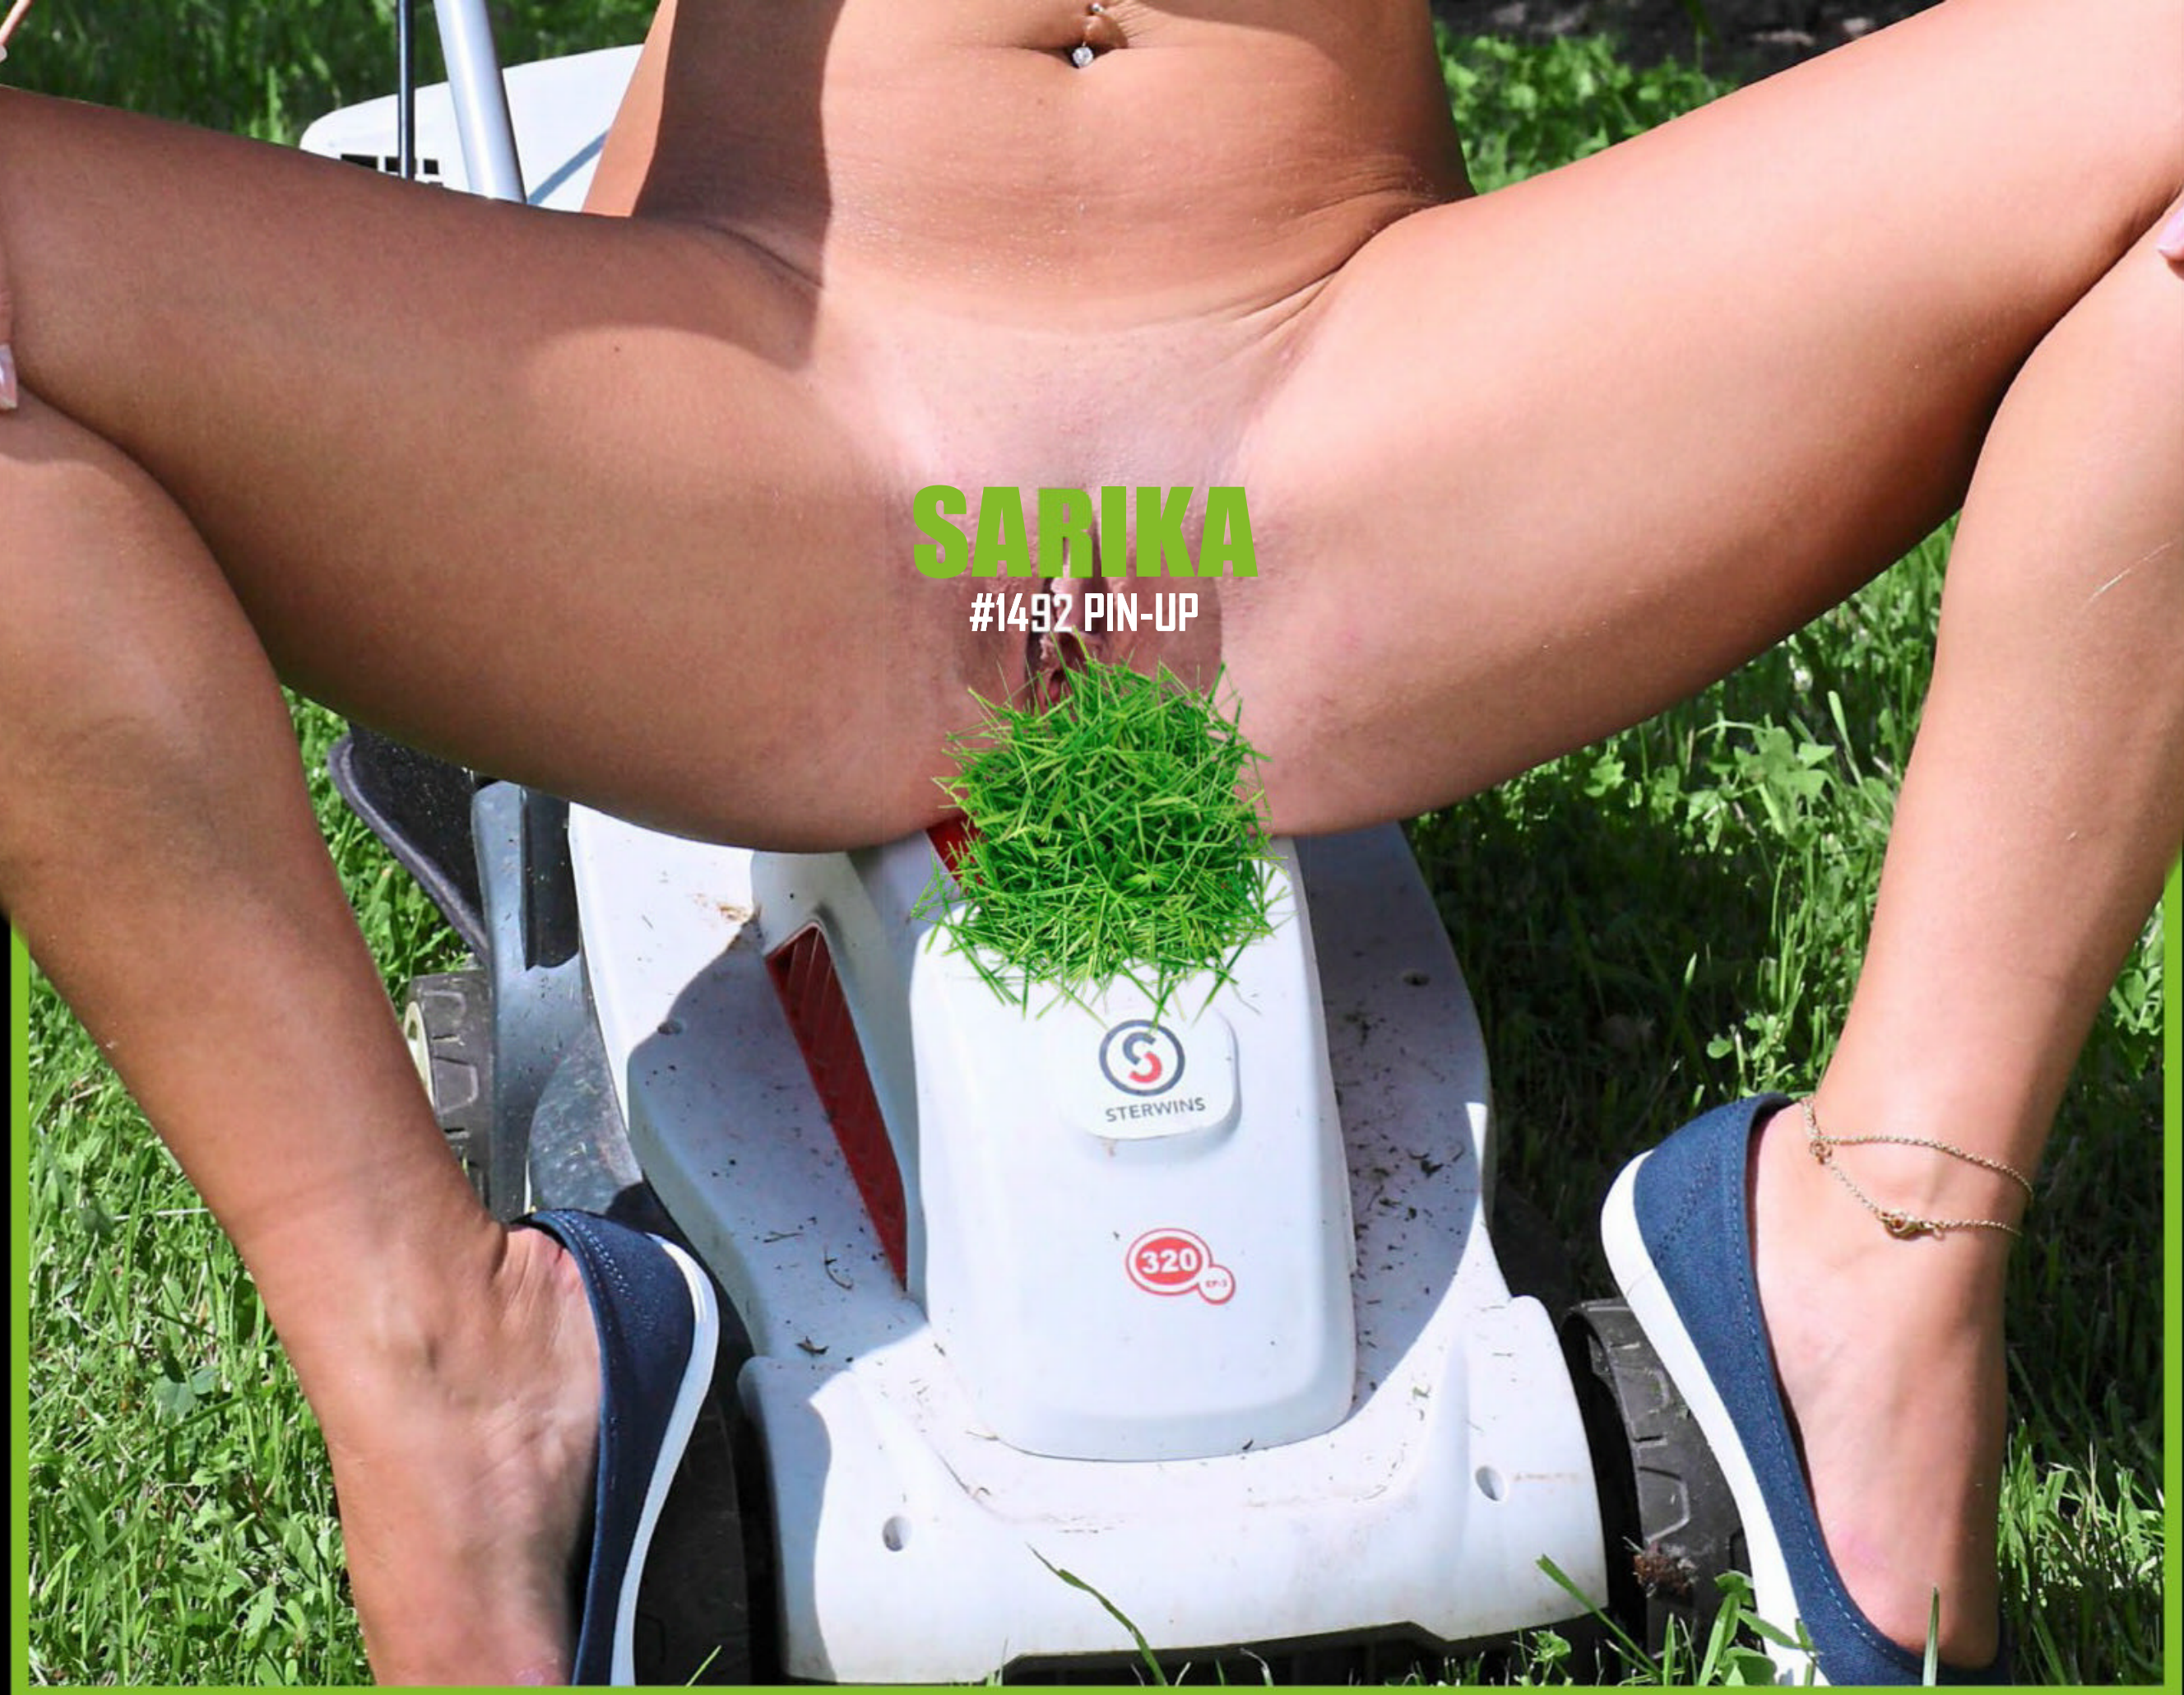
"I am so horny today! I can't keep my hands off myself because I have not had sex for many weeks!"

Well, that IS sad. What's seems to be the problem?

“I AM SO HORNY!”

SARIKA

#1492 PIN-UP



"I AM SO HORNY TODAY!"

"I broke up with my last boyfriend and have been working so hard I have not had time to find a man, so I must masturbate very often."

But you told us last time you often get off with your sexy chick model friends, so couldn't you try that instead?

"Sometimes that is good, but right now I really miss a big, hard cock. I think about it all day."

Didn't the mowing help take your dirty mind off it?

"No! Sitting on the mower just made me even more horny. The vibrations made my vagina very wet!"

Mowing rocks! Maybe you should hook up with a bloke named 'Victa'.

"Why? I do not understand."

Sorry. Aussie in-joke. Erm... how about yoga? That might ease the tension somewhat.

"I do yoga for many years. I can get my legs behind my head, but it just keeps reminding me of sex."

Yeah, we can see how that might happen. Sorry. Still, having a wank's not so bad. What's your favourite way?

"I have a vibrator, and I like to play with my clitoris while put it inside myself. I can give myself very nice orgasms, but not so good as when I have a man to fuck me."

So we're not just good for putting out the bins and changing fuses!

"No, I like men and their penises. I think about them when I masturbate. Actually, I am thinking about them now because we are talking about it. I really want to masturbate again soon."

Don't let us keep ya. Bye! Picture

FLEX APPEAL

I'M AN alright-looking fella, but not really very outgoing when it comes to the ladies. So I had to write this story down and share it with you all so I never forget it, 'cos it's pretty out of the ordinary for me.

A few mates dragged me along to this shitty bar one night so I could be their designated driver. I'm not much of a drinker, so that was nothing unusual.

I was standing at the bar when this amazing blonde with the most perfect body stood right in front of me, staring directly into my eyes. She looked kinda like one of those chicks who works in a health food shop, and she was gazing so intensely at me I thought she was reading my mind or something.

Then she said, "You have the most beautiful aura about you. Will you take me back to your house?"

I was out the door with her in a flash, leaving my friends to fend for themselves. As I drove, Destiny told me she was a yoga instructor and she'd been working on some new positions she hoped to show me. I cracked a fat that could've knocked out a fully grown elephant.

When I closed the front door I turned around to find Destiny naked on the floor, tied up in a knot like a human pretzel with her vagina pointing at the roof. Not one to look a gift horse in the spadge, I stripped naked and joined her.

The way she was twisted, I had to basically do push-ups on her to get penetration, but when I did – PHWOAR! Destiny had a beaver as tight as a bear trap. She must've had 100 G-spots in there and I was hitting every single one of them.

This chick was screaming and moaning like the world was coming to an end, and with a few more mighty thrusts, we both came together.

It's been five years and I've never been fucked like that since. Wherever you are, I hope you're going hard, Destiny.

K.P., BUDDINA, QLD

FIRE DRILLING

A FEW weeks ago I was sitting at work when the fire drill alarm went off and we were told to evacuate. As everyone was filing out the door, I had a cunning plan.

There was this chick in advertising called Kaley. I'd been flirting with her for months but never taken it further. I knew she was into me, I'd just never bothered doing anything.

As everyone was leaving she gave me a little smile and wink so I grabbed her hand and headed towards my manager's office. She was all over me. We hunted through his desk drawer until we found his booze stash, then we did shots while we gazed out the window at our idiot colleagues milling around at the meeting point.

Kaley got down on her knees while I was staring mindlessly out the window and undid my fly. She pulled my limp dong out and started kissing, licking, rubbing and sucking it until I was harder than a Rubik's cube.

I pulled Kaley up onto the desk. She quickly nuded up and spread her legs. She guided my now rock-hard schlong into her and I pumped valiantly away, trying to give her the best time she'd ever had.

Just as Kaley started to come, she clenched her pussy around my pecker, which sent me over the line. I pulled out and shot my population paste all over my manager's desk, papers, computer... fucken everything.

We quickly pulled our clothes back on, wandered downstairs and joined the rest of our co-workers. When the drill was over and we'd all returned to work, the manager came out and asked us all how come his desk was the only one with fire extinguisher foam all over it. Kaley and I nearly died with laughter!

JERK IT OUT

IT'D been three weeks since I'd rooted my boyfriend Ethan and I was fucken sick of it. He went out to meet a mate one afternoon, so I grabbed one of his pornos and locked myself in our bedroom to flick the bean to buggery.

Well, I thought I'd locked myself in there, but I obviously didn't, because he burst in about half an hour later to find me working my fingers into my moot.

Ethan had never seen me jilling off before, so he was a bit surprised. I told him the last three weeks had been killing me – I'd fuck him every 10 minutes if I could!

We talked and he ended up saying he didn't feel sexy or loved. Rather than call him a giant pussy, we started making out and instead of fucking, we decided to wank each other off.

Sitting cross-legged on the bed, I started to stroke his rod while he fingered my pre-moistened snatch slowly.

We were in no great hurry, just exploring each other's naked bodies, and he started massaging my titties with his other hand.

As I jerked his cock slowly and purposefully, I began to understand the things he liked me doing and things he didn't like by looking at his face and listening to his moans.

Suddenly, Ethan found my G-spot and it was all on – I was whacking him off so fast I made Usain Bolt look like a grandad, and he was pounding my pussy like a piston in a Ferrari redlining at 8000rpm.

We orgasmed as one and I clutched the bed sheet in pure happiness. It was so amazing.

The pair of us spent the rest of the afternoon humping each other senseless, but nothing will ever come close to the power of the climax I had without any dick.

"I'm one of the boys," confesses 25-year-old Daisy. "I love a good party and really love sex." ***Nice, you really are one of the boys. Except that you've got a pair of cracking tits.*** "Men enjoy sucking on my tits and I like it, too. It just feels nice." ***How do you keep sex interesting?*** "Outrageous antics usually do it." ***That'd do the trick. What about drunken rooting?*** "It's always a bit better, isn't it? I think there's less care about feeling embarrassed if something silly happens." D***escribe your ideal bloke, Daisy?*** "Someone tall with dark hair."

WHAT SHOULD A BLOKE BUY YOU AT THE BAR? "I love a spicy jalapeno margarita with lots of salt around the rim."

FLASHBACK

DECEMBER 2012

SKYLA // 29

SYDNEY, NSW

Hobbies like collecting the entire Chad Morgan back catalogue might do wonders for your street cred, but they won't stop you turning into a fat fuck. Skyla is a 29-year-old Pomgolian who reckons her pastime not only keeps her in good nick, she even gets PAID. "Pole dancing makes you look good and it makes you feel good – both athletically and sexually." ***Do you do it away from home?*** "I've been doing it professionally for three years. It's a good way to make money, 'cos you get paid to have fun." ***Is it better if blokes leave the pole for girls?*** "I've taught guys. Their upper-body strength and fitness is good, and they're excellent for comedic value, but they're not as sexy as a woman." ***Yeah… it's the tockos and moustaches that kill it.***

"Men aren't as sexy as women"

"I like getting tied up"

MAGGIE // 19
BRISBANE, QLD

Maggie was stoked when she made her pants-off debut in front of our snapper. And fanciers of TANNED, NUDE SPUNKS are probably more than a bit chuffed, too. "Posing was fun – something different and exciting." ***Is getting ya gear off in the BESTEST men's mag in Oz something you've always wanted to do or was it an on-the-spot decision?*** "I've thought about it for a while." ***Do you fancy anything kinky, like getting tied up?*** "That's always fun." ***How about threesomes?*** "As long as it's two chicks and one guy." ***What about doing it outside?*** "That's a bit scary."

$400 HOMIE OF THE WEEK

KAREN // 22

GOLD COAST, QLD

IT'S been said you can't improve on perfection, but we reckon that's a load of 24-carat bullshit as Goldy babe Karen is perfect and a lil bit more. "I'm glad you liked the shots," laughed the 22-year-old stunna. "I've found that most guys pay close attention once I start undressing." ***You must pull more roots than Errol Flynn.*** "My sex life is pretty good at the moment. A few weeks back I had my first threesome." ***How did that happen?*** "I don't really know. I was drinking with friends and then one thing led to another I guess. I'm glad it happened, it was great fun."

What's the funniest thing that's ever happened to you while having sex? "I was on top of my guy and he went to spank me on the arse. But he missed and got himself in the balls. He was in heaps of pain. I shouldn't laugh." ***Have you ever been caught in the act?*** "Just once. I took a guy to a secluded area in a park and we got sprung by a bunch of bushwalkers or tourists. They thought it was really funny. I almost died. One of them even tried to take photos! Ha-ha!" ***It sounds like a Kodak moment!*** **WHAT SHOULD A BLOKE BUY YOU AT THE BAR?** A beer is nice. Or maybe a cocktail."
